Daily Advertising

We drive weekdays (Tue-Fri) from 8:30am to 5:30pm hitting the morning, lunch and evening rush-hour commuter traffic in North Pinellas, Southern Pasco and Western Hillsborough counties with shared co-op advertising. The trucks are also available for private rental. Additionally, advertisers are also broadcasted on our website, on all of our social media outlets, email blasts, and distributed personally at public venues when possible.

Live Entertainment

We have the ability to stream live video feed of your event, display live television content, recorded video, interactive gaming systems, and more!

Private Truck Rentals

\$150 per hour (4 hour minimum)

Monthly Mobile Advertising Rates

There are 36 advertising spots available. Each spot runs for 10 seconds. At maximum capacity (36 spots x 10 seconds) the entire advertising cycle would run a total of 6 minutes before looping continuously throughout the day. One advertiser's ad is displayed on all three sides (driver-7'x14', passenger-7'x14', and back door-7'x7'screens) of the truck at the same time.

Graphic Design Services

We can create a BASIC advertisement for you at no additional cost (logo, phone, physical address, website), or you can provide your own. More involved ads can also be created or redesigned for a \$75 fee. Ads can be swapped out at any time throughout the contract, and as many times as you like. If you buy more than one spot they can be graphically different, all the same, or any combination you'd prefer.

AD SPECS: Full color. However no ads with white backgrounds please. Ads show best with darker backgrounds and lighter or white text or foregrounds. Use large big bold fonts, and avoid wordy advertisements. Remember this is a billboard style of ad, and not a printed style ad. Viewers have 10 seconds to get your message. So keep it simple, big, using as few words as possible, and to the point. Save files as JPEG images. Screen Dimensions. BACK SCREEN 416px (W) x 416px (H), SIDE SCREENS 832px (W) x 416px (H).
